

⚙️ IWC Bangladesh 2026 Process Flow (Full Summary)

1 Proposal Submission Phase

- Students from all over Bangladesh fill out the Google Form to submit their project proposal.
- Registration is completely free for the national round.
- They can submit individually or as a team (as per category setup).

2 Confirmation Phase

- After proposal submission, the IWC BD Authority (DoB Team) will review all entries.
- Selected participants will receive a “Congratulations & Confirmation Email” officially from Dreams of Bangladesh.
- This email will include:
 - ✅ Confirmation of successful selection
 - ✅ Instructions for next steps
 - ✅ Date & time of the online judging session

3 Judgement Phase (Online Interview)

- 2 days before the assigned date, confirmed teams will be notified of their judgement schedule.
- Judging will take place online through live interviews or presentations.
- Evaluation will be done by a panel of national and international judges appointed by Dreams of Bangladesh and MIICA.

4 Results Announcement

- After all judgments are completed, the official results will be published (Top teams list).
- Winners will receive:
 - 🥇 Gold Medal
 - 🥈 Silver Medal
 - 🥉 Bronze Medal
- Official Certificates from Dreams of Bangladesh and MIICA.

5 Bootcamp & Final Selection

- After results, all winning teams will be invited to a National Bootcamp, organized by Dreams of Bangladesh.
- Through this bootcamp, the Top 30 Teams will be selected for the International Round in Bandung, Indonesia (January 2026).

International Round (MIICA – Bandung, Indonesia)

- The selected top teams will represent Bangladesh at the Innovation World Cup 2026 International Round.
- Final competition: 28–31 January 2026
